Back a few years at one of our club concourse events at the Fox in
Kelham

BRANCH SNIPPETS

Colin and Jenny Coleman, finally managed to get home to Crete ,earlier this month ,after the doctors gave Jenny the all clear to fly after her op on her eye. She will have to return in a few months for a follow up examination. So we will see them over in the U.K. in a few months time.

Tim and Rose Woodroffe, formerly of the South Nottinghamshire town of Cotgrave , have now retired to the North east Derbyshire town of Pinxton.

They have bought themselves a new Caravan and are looking to catch up with old pals and have a natter and a few drinks at events like our camping weekends. I have pointed them in the right direction and hope to see them in the near future at events and runs that we do.

I have applied for the passes from Andrew Greenwood, for his classic shows around the country, Donington, Thoresby, etc. They allow you to get into these shows on a reduced rate, and are free to members who want one. When they arrive (soon) Garry will be the man to see to get one.

This year we are hoping the weather will be kind to us on August Bank Holiday Monday as we will try once again to put on a Branch stand and display of Nortons for the public to look at and hopefully give us a chance to gain new members for the branch. If you are available to come along to this one, please let Garry or Rick know as early as possible so we can plan well ahead. Thanks.

THE N.O.C. IS NOW TO USE SOCIAL MEDIA FOR FAST INFO!!

The N.O.C. now plans to use Facebook and Twitter to promote events as there may be Norton riders who are not currently club members in either National or branch NOC.!! So they will post any events that are around the country so that more folks will see them advertised and it may attract them to come along and may even get them to join up!.

It has already been trialled in the Devon branch so it is now to be made a full time way to let folks know what is going on in the club.

If you are a social media type, you can follow us on

<https://www.facebook.com/nortonclubevents>

or to follow us on twitter

<https://twitter.com/NortonEvents>

For full details of the main club`s events please read the Roadholder. And for our branch events, please see Rick or Garry

If you have any events that you think we may as a branch, be interested in attending please contact me for inserting in here
